utes Drive to Raise Mass Campaign

The drive was decided upon after members discussed the situation for some time. It was pointed out that due to the fact that no drive for funds had been made directly by the M. R. C. for three years, too much trouble in raising the \$2,000 objective

be undertaken by various canvassers, and will consist primarily of a canvass of the business portion of the town.

Organized Here Monday Evening

Formation of the new Leavenworth poultry club was consummated Monday night, when there was great enthusiasm and interest at a lively meeting in the Christian church.

A committee of three, consisting of Mary Thomas Wilkes, Mild Reid and Harold Johnston were elected to carry out the work. They will attempt the organization of the club.

Opinion was expressed that the local board of trade should cooperate in a board with the city officers in the vicinity.

Those here present were urged to attend the regular meeting of the board, which was to be held in the hotel at Leavenworth, high school on May, Jan. 20th, at 6 o'clock.

Subject will be of interest to all in the spoken with the health of the pupil.

New Lux Theatre To Open On February 12

Interior View of Lux Theatre Auditorium

Shows shown in an interior photograph of the new Lux Theatre taken from the side of the screen facing the back. The new seats, installed at an approximate cost of \$12,000 are the most modern ever - upholstered in plush velvet made to the photo screen the "you-in-a-seat" chairs which are staggered along the sides the length of

the auditorium.

The window in the back-ground, center is the double-plated window of the "baby" movie, where patrons can watch the show with complete comfort without being other theatre-patrons of the room. At the left and right, back, are the entrance to the auditorium from the main lobby.

Neon Sign and Marquee Lights Will Turn Night Into Day
The 4-foot neon sign spelling "Lux" outside the theatre has in great addition.
The sign is located on the south-west corner of the building, and

the entrance is directly underneath. Both of the letters, "L" and "X" are two feet high, and there are glowing lights around to attract attention.
The outside marquee is another asset of the new theatre which gives a distinctive flavoring. It is an added protection for the convenience and comfort of movie-goers.

New Theatre Here Will Seat Over 500 In Modern Comfort

Lacombe's new theatre will be open for business next Tuesday evening. Doors will be open at 8:00 p.m., and the first film to be shown will be screened starting at 9 p.m. The opening comes about three weeks later than was originally planned due to unexpected delays in delivery of some of the last minute building materials. An interview last week with J. Purnell, however, indicates that all delivery difficulties have now been overcome and the theatre will open promptly at 8:30 on February 12.

Theatre goes will be pleasant and delightful with there is no exception, and the newly designed painting and finish is greatly to be enjoyed.

By means of this modern light show is the lighting system.

The neon sign lights in the auditorium are specially designed to make the patron feel "at home".

All fixtures are non-flashed, and can be switched to various colors and shades.

There is the red-orange glowing light, suggesting warmth, which designers recommended for movie.

Then there is the blue green lighting, with its cooling effect, which will be employed in some places.

The regular house lights are in the usual white.

When the amphitheatre is lighted, occupants will notice the white walls of architectural plaster and marble, and the ceiling of glass and metal.

The interior decorative features, bright colors, red and blue-green, and the ceiling of glass and metal, will be most pronounced. The overall picture is a satisfying one, in a truly modern auditorium.

Here's good news for those who

are more romantically inclined.

The theatre management has installed 40 so-called "love" seats throughout the auditorium. These seats are specially designed to seat two in comfort there is no separating arm and

In addition to the "love" seats, accommodating 50 persons, there are 418 single chairs, giving a total seating capacity of 518.

All seats are beautifully finished in grey and mahogany upholstery, and are equipped with armrests throughout the auditorium to afford clear routes to the screen without the usual "cave" coming in immediately, preventing any undue pace.

The picture on the screen will be interrupted, however, as there isn't sufficient room for the supply system to operate the film.

There are two sides linking the three rows of seats, one down the center, and one on each side.

The total cost of the seats is approximately \$12,000.

Emergency Power Plant

To Operate H Town Power Source Falls

Theatre-goers sitting in the new Lux Theatre, will be ignorant of a general "blackout" around here in the event of a power failure.

An emergency lighting system has been installed to cut in immediately, if the main electrical circuit goes dead.

Thus, lights in the theatre will flash on immediately, preventing any undue pace.

The picture on the screen will be interrupted, however, as there isn't sufficient room for the supply system to operate the film.

There are two sides linking the three rows of seats, one down the center, and one on each side.

The total cost of the seats is approximately \$12,000.

Old Theatre To Be Open Friday and Saturday Evenings

As a matter of policy, the management announces that the old Lacombe Theatre will be operated on week ends only until further notice.
It is planned to show a good feature on Friday and Saturday nights only twice each night, at 7:00 and 9:00.
There will be two shows nightly, Monday through Saturday at the new Lux Theatre.

Purnell Family
Now Own Seven Alberta Theatres

The Purnell family are now owners of seven theatres in Alberta: two in Lacombe, two in Swift Current, and one each in Regina, Saskatoon, and Winnipeg.

Two more, Lacombe and Regina, are at Red Deer, another son, Jim, is at Lacombe, and another son, Harold, is at Regina.

Jim and Leonard started out in the theatre business at Winnipeg in 1944. The following year, they sold the business, and moved to Peace River.

In November, 1945, they took over the rights of the theatre in the City of Peace River, and in 1946 bought the Lacombe Theatre from Herb Sorenson.

In October, 1951, they assumed control of the two Red Deer theatres from the Beattie Bros. Planned By Purnell.

The Purnells have had enough luck with five theatres at the City of Peace River.

They built the new Lux Theatre in Lacombe in 1946, at a cost of \$75,000. Fire caused heavy damage to the theatre in 1947, but it was rebuilt and reopened in 1951.

There was a fire in Regina, too, and an extensive remodeling job on the first theatre was done in 1948.

The Orpheum theatre at Winnipeg was remodelled, housed with new seats, etc. in 1951.

It Is With Great Pleasure We Announce the Opening of the

Lux Theatre

IMPLEMENTED PRICES ARE LOW

In comparison with prices of other supplies the farmer buys

- The outstanding achievement by Massey-Harris in keeping the prices of its Canadian-made products at a low level of increase over 1941, is clearly shown by the above chart of price indexes.
- All commodities are shown as 97.7% higher than 1941 raw materials are 98.3% higher; average hourly rates of pay Massey-Harris Canadian plants are 156.0%, highest yet Massey-Harris Canadian farm implements have increased only 66.7%.
- The continued great world demand for labour-saving farm equipment has given a volume permitting high operating efficiencies in relation to production and selling costs, making possible the partial absorption of the increased costs of materials and labour.
- With the accuracy and high cost of experienced help, farmers find in modern machinery the means to maintain high volume production at low operating cost.

A New and Tasty Protein

Many of the other new food ventures which have been introduced in Lacombe, and before the town is completely, it would be well to point out a number of the new food items to be added to the menu of the town's new restaurants. The first of these is a new and tasty protein, known as "Lacombe Protein". This is a new and tasty protein, known as "Lacombe Protein". This is a new and tasty protein, known as "Lacombe Protein".

Government Workers

We're afraid that many others are in the same boat but don't say it just about the fact that Ottawa started contributing to the support of our staff, particularly the office and the government workers.

GUARDIANS OF PEACE

*The Infantry Recruit...
Keyman in Canada's Future Security.*

Knowing its job and through the Canadian Army Active Force needs more Infantry Soldiers. The Infantry recruit is a keyman in our defence plans. For as he finishes his training he will join the front lines of our freedom at home and overseas.

But it takes time to produce these highly trained soldiers. And to maintain our security, to discourage aggression, we must be able to meet any emergency. That is why we must have more young men for Infantry training now.

If you are interested in Canada's future, now is the time to do something about it. Serve with the most important men in the Army — the Infantry.

There are outstanding career opportunities for young men in the Canadian Army Active Force.

You are eligible if you are 17 to 40, tradeless (or 45), and ready to serve anywhere.

More Production at Less Cost With Modern Equipment

Never before has a man been able to do so much work on a farm so quickly and easily. New methods and modern mechanization have increased farm efficiency giving more production per worker at less cost.

Up-to-date equipment makes the farm labor shortage.

Mechanized farming in the modern, low-cost, high output, more profitable way to farm.

For more than one hundred years Canadian Farmers have found in Massey-Harris machines the kind of equipment that saves time, saves labor, and enables full advantage to be taken of favorable conditions.

TODAY, this well-known dealership celebrates an important anniversary—marking Twenty-Five Years of service to car and truck owners in partnership with Ford. We of Ford of Canada earned hearty congratulations on this splendid record and the progress achieved with each passing season. We know that a very large part of the success we have had is due to the continuing support of the successful and responsible business men who serve their neighbors as dealers in the products of the Ford organization in Canada.

Twenty-five years is a long period in the life of any community business. It is a record that can be achieved only through merit and conscientious effort. When you get right down to it, it is a testimonial to enterprise and service that says . . . "Here is a business which has served its fellow citizens well and truly through the years".

With you, we join in wishing the management and staff of this long established dealership still greater success in the years that lie ahead. We know they will achieve it, by deserving it.

Auction Action Starts Again Tomorrow At Central Alberta Pavilion

There is a camera shot taken of the spectators as action develops in the Louisville bull race last Wednesday and Thursday. Similar selling action will take place tomorrow and Saturday at the central Alberta racetrack when the Howard cattle auction is brought into the sales ring.

Above, from left to right: J. W. Dunn, Calgary commission; Clarence F. Dunlop, vice-president of the Central Alberta cattle breeders' association, and veteran distiller of Banff, as a headliner selling pure-bred Angus breeders, apart from Old-time breeders of Banffshire, full-blooded low-line Shorthorners, and so on.

Selling are some members of the thriving stock J. Howard's

Prize and Stewart M. Chapman of Louisville

standing alongside the bull entry in the ring as last man Tommy Dineen, of Montreal, waiting to reach number 10 of the second. Behind him the auction stand, and plainly viewing the proceedings is Sam J. Henderson of Louisville, president of the central Alberta cattle breeders' association, and government livestock inspector.

Moving from this shot to H. F. Dunlop, auctioneer of Banff, who can be seen in the left of the ring at the time the pure-bred Angus are sold.

R. Huested, revere of the
district of Lacombe,
long-time friend of the hon-
couple, outlined the life of
Mr. Skinshead in the

Dentley and district residents who
attended the anniversary gather-
ing. A number of guests came
from a distance to extend their
congratulations.

One daughter, Mrs. Pauline

for the big day, cousins of Mr.
and Mrs. Skinshead. They

born in 1890, came from South Dakota. Many also attended the celebration from Leavenworth, Hayes, Blackhawk, Rumbey and other district points.

This was the second diamond- wedding anniversary to be observed in Bentley, as Mr. and Mrs. Michael Smith celebrated

Shown above in a recent picture are Mr. and Mrs. Michael Smith, who celebrated their diamond wedding anniversary in Bentley.

Meanwhile, plans are well advanced for the central Atlantic trials, on June 18. Judges have been appointed by the U.S. Supreme Court, and the 12 best farm will be had next week.

Prizes for the Spruceville match are on display at the Llanelli hardware, while the prizes for the plowing match will soon be ready.

The present three-story Bank of Montreal building has been a landmark of the town and district since 1905, but now provides insufficient space for proper banking facilities.

Mr. Douglas called on individual committee members to report, and asked the complete cooperation of all members in attending bees to further the work at the new down town hall park.

D. M. Sullivan of Edmonson Guest Specialists
Held School Division

Convention Wednesday

A disappointingly small group of respondents gathered in Lacombe high school Wednesday for the sixth annual respondents' convention of the Lacombe school division. There were 25 official delegates present.

Chairman Jack W Rogers of Bentley, in his opening remarks,

students in the division. He also told of the new agriculture course being offered at Canadian Union College in Lacombe.

The delegates also heard the report of A. G. Andrews, general secretary treasurer of the Alberta school teachers' association, who gave the delegates a picture of

the board during the past year. He mentioned the increased cost of education, and asked as an example, that the "average" cost of 80 teachers 80 years ago was \$91,000, as compared to \$130,000 for 86 teachers at present."

George Ramsey welcomed the repayments to Lumberton on behalf of the town council.

The repeated libelous Miss

Work on Short Water Lanes Started Wednesday

Calgary Power machinery started work this week on water reclamation to the proposed trailer park site in Jacombs.

The four lots, providing a 300 ft frontage on 31 avenue just west

ing the late afternoon ball game.

The parade, which officially got the celebration underway at 2 o'clock, was well arranged, and nine shiny colorfully decorated floats had the provision of decorated bicycles, cars, and costumed clowns behind the 32-piece Leduc band and majorettes.

Winner of the 1962 Ford Western rally was Art Malley of Mirror.

Actual construction work on the main trailer park building is expected to start within the immediate future.

Fred Rowland To Appear in Talent Contest at Devon

Fred Rowland, old-time fiddler in the various events will appear in next week's issue of The Glider.

Come Meeting, Alberta Conference Session at Canadian Union College

Close to 1,000 are expected to attend the annual camp meeting and the biennial Alberta conference of the Seventh Day Ad-

competency will be constant each year. It is to be organized and held as a week-end or two. There will be a half cent on the sale of the new age of the year. Any results.

At Church Hall

Federal Service For Late Iver Williams Held on Saturday

Last reports to the late Iver Williams were paid by his friends at the funeral service held in St. Cyr's Anglican

A full meeting, sponsored by the Intermediate and Servicing Councils of the F.U.A.W., was held in the church hall, Lacombe, on Friday, July 20, commencing at 8:00 p.m.

Candidates for the three post offices and parties in the Lacombe council area were present in numbers to speak at this meeting with regard

Rev George E. Major officiated at the wedding of Mr. Patrick's daughter, Miss Mary, to Mr. John J. Brown, of the same town, on the 10th inst. The ceremony was held at the residence of the bride's father, and was attended by a large number of friends. The bride was given away by her father, and the ceremony was a most successful one. The bride and groom were both very happy, and the wedding was a most successful one.

Officer Still Needed for Local Cadet Corps

Plans of the Lacombe cadet corps will be definitely settled at a meeting of the cadet board which will be held here before the end of the month.

Cadet officers from Calgary army headquarters were present at an informal meeting held here this week. Also at the meeting were board chairman I. B. T. Hughes and school principal A. R. Patrick.

It is a matter of a comparatively small number of commissioned rank in the corps which is to be formed here. Mr. Patrick stated this week that he had no objection to the corps being formed, but that the officer of the corps would be a matter of some importance.

Further commission officers, interested in cadet corps work, are being sought by the corps. It is hoped that the corps will be formed by the end of the month.

Win Master Farm Family Award

The Jesse Cole Family

The Jesse Cole family of the Greenacre farm has won the master farm family award given by the provincial department of agriculture.

With the honor of the award goes a \$1,000 cash prize, an engraved plaque and a name for the farm.

It is a very rare honor to win the award. David A. Ure, director of the department of agriculture, announced that the family behind the award has been outstanding for their farm.

Year after year, more people buy Chevrolts because—

It's the lowest priced line in its field!

Chevrolet

...the lowest priced line in its field!

The very fact that more people are buying Chevrolet than any other car proves that Chevrolet does offer more value than any other car. In features like Body by Fisher... with world famous United construction. Jambo-Drum Brakes... or safety, smoother, smoother. Power-Steering. These are a few of the fine car features offered by Chevrolet in its field... and yet Chevrolet is the lowest priced line in its field.

School Surveys Adults, Too

IT IS gratifying to see the Lacombe school board making an extensive this year for adult surveys.

Not many years ago, it was a widely accepted notion that formal education ended when a child left school. At that time, the school board was not interested in the adult population.

Today, however, all today's administrators of adult education are well aware of the fact that the adult population is a vast and growing one.

Klansman Club To Hold Ladies Night Tomorrow

Tomorrow night, members of the Lacombe Klansman Club will entertain their wives and guests at a "Ladies Night".

The evening will start off with a banquet at the Lacombe Hotel, followed by a picnic supper at the local theatre, and a midnight dance at the A.I. Club.

Only outside guests to be invited will be Mr. and Mrs. Bill McClelland of Ponoka. Due to the character of the Lacombe Club, and this year's ladies night will be the second anniversary of the Klansman dinner.

C.P.R. Conductor Rides After Last Train Run

Last Saturday was First Deputy's last day as conductor on the C.P.R. train running between Lacombe and Carleton Place. After 40 years' service with the railway, he will be retiring on December 1st.

All passengers on the last train left Lacombe at 10:15 p.m. on Saturday. The train was decorated with streamers, while the last train was decorated with streamers and a banner reading "Goodbye, Bill".

The Globe joins the many friends of Mr. and Mrs. Day in wishing them a long and happy retirement.

Advice Against Burning Off Grain Stubble

Many farmers that annual weeds can be destroyed by burning the stubble and some are in the fall of the year as the following report. They feel that the best of the burning will be sufficient to destroy the weeds, as in the case of Turkey Birds' nests of Wild Chick, to give up the other remaining stage through these weeds must be.

G. B. Baring, Supervisor, Soil Conservation and Wood Control, then recommended that stubble be left to rot and the burning of the stubble and stable leaves the soil is vulnerable to both wind and water erosion, besides, there is a definite loss of fertility. He stated that only a very small amount will be destroyed by burning the stubble. Most of the weed seeds will be lying right on the surface of the soil and will not be destroyed as all of the heat from the burning stubble will be lying on the surface of the soil. In some cases stubble will be destroyed with the burning of the stubble. The only way to be destroyed will be the stubble that is lying on the surface of the soil. At most of the weeds are in the fall of the year, the stubble will be lying on the surface of the soil. The weeds will be lying on the surface of the soil. The weeds will be lying on the surface of the soil.

Only Lacombe Double Parking

DECISION of the town council to lay out double parking space on a trial basis in Lacombe, has been met with a great deal of interest in the community. Double parking is now permitted in the town of Lacombe, but only on the main street, and only on the south side of the street. This is a new provision in the town's by-laws, and it is the only place in the province where double parking is permitted on a trial basis.

It is now, and always has been, against the law to park on the main street in Lacombe. But the town council has decided to make an exception in the case of double parking. This is a new provision in the town's by-laws, and it is the only place in the province where double parking is permitted on a trial basis.

Can You Guess the Cooking Cost?

1¢ 2¢ 10¢ 7¢

It's less than you think — when you use natural gas. In fact, when you consider all the big jobs that natural gas does in the home . . . and the fact that the service which puts the world's most plentiful fuel within easy reach of all represents a \$50,000,000 investment in Alberta . . . you think you'll agree it's worth more than it costs.

The cost of maintaining this service, like the cost of hamburger meat, has skyrocketed. But the cost of COOKING your hamburger today is the same. Think less than a penny's worth of natural gas here in Alberta will cost except hamburger for the whole family.

Yes — natural gas in Alberta is worth more than it costs today!

**Passes Away
At Bentley**

Mrs. Hans P. Hansen, resident of the Bentley district since 1911, passed away at the Bentley nursing home.

The late Mrs. Hansen was born in Denmark, and came to this continent with her family as a child of two. She later moved to Seattle where she married Mr. Hansen in 1907. Four years later she was married again to a man who was 79 years of age.

Funeral service was held Friday at Beeley's United Church Monday afternoon, with Rev. H. Thacker officiating. Mrs. William Wetzel tendered a solo during the service. Brown and Johnson furnished flowers.

arrangements Pall bearers were C F Daanre, Alfred Haastad, Art Hallonquist, John Helman, Bill Peterson and W Holmes. Interment took place at the Bantle cemetery.

The deceased leaves her loving husband, Dr. Walter

Albert at Bentley, five daughters, Mrs. Alfred Lemke, Calgary; Mrs. Ernest Preddy, Edmonton; Mrs. Albert Bodard, Ponoka, Mrs. Lawrence Hunter, Calgary, and Mrs. Roy Walton of Bowden. Two brothers and four sisters live in the United States. There are nine

1953 Chevrolet
Advance-Design
1953 Chevrolet makes other performance, new styling, new safety and economy — and every model is even stronger, smoother, more durable than ever of past years!
The advanced Loadmaster, Torque-master and Workmaster engines in all models deliver more power than ever before built available on Chevrolet models. This big, bulky, valve-in-head engine with a new high-compression ratio brings you better performance, faster acceleration, greater hill-climbing ability and substantially greater gasoline mileage.
See this only the beginning... You get all the proved features and advantages that have made Chevrolet...
10 powerful reasons why they are better than ever

Discuss Possible Ball Club Here For 1953

For the first time in his history, the team is being widely discussed in terms of its present and future. The team's name, the Laclede County team, was chosen in 1963. The team is the first to play in the league since 1903. The team is the first to play in the league since 1903. The team is the first to play in the league since 1903.

Lions Urge Senior Sports Council Here

Considerable discussion took place regarding formation of a new baseball league and Central Alberta baseball league and Bill Douglas reported there was a considerable interest in developing such a team as a romantic to respect George Hamilton's feelings, suggesting that some of the funds could be raised by a baseball game in order to raise essential funds for unemployment relief and that Doug MacKay and Chas. B. Smith had urged formation of a team that would play in the city of Lethbridge.

There are those sports followers who believe that, in matters of sport, the Canadian college has withdrawn as much as possible from the American scene. Theirs is a naive, but not an entirely wrong, opinion. In fact, the Canadian college has withdrawn only in the matter of the sports which are considered to be "American" in origin. The Canadian college has withdrawn only in the matter of the sports which are considered to be "American" in origin. The Canadian college has withdrawn only in the matter of the sports which are considered to be "American" in origin.

This writer is not in agreement with such theories. We believe Canadian colleges have struck a very sound perspective in their survey of sports. They have not been misled by anything. We think it will be a very day indeed when the only sports we have for collegiate superiority is the ability to win at football, hockey, or other games. Sports can be judged as sport in our educational system only when played for the sake of the game.

We don't believe the day will ever come in Canada where there is no discrimination against people of any race, color and creed, and where no American football teams in the United States are played on New Year's Day. The day is the best time to play football, and it is the only time when the football season is in progress. The day is the best time to play football, and it is the only time when the football season is in progress. The day is the best time to play football, and it is the only time when the football season is in progress.

some of the larger schools, too, abandon an enterprise which places the emphasis on physical power.

So we should be little proud of the fact that *Continental Airlines* permit no such commercialization of the airplane. Instead are the permanent thing, sport a pleasant side-line, relegated to its proper place.

- As One Would Watch a Child - We Have Watched This Building Grow - Shared Its Problems and Its Progress

This week it graduates, to take its place among the business buildings we have helped construct in this thriving community.

It will be with considerable pride that many Lacombe and district residents shall point it out as "my bank."

Bank Effects, Furniture To Be Moved

New Bank Opens Next Monday

Monday morning, the Bank of Montreal's latest branch will officially open its doors in the new Lacombe branch building.

The new building is finished with a recessed plate glass and metal entrance, and will be lighted at night from above by generous recessed spot lights.

Inside, the office boasts the latest in banking equipment, the eye-planning features of the bank.

Excavation Troubles Many On Structure

Actual construction work on the new bank building here was a battle against the elements in the early days of its erection.

Excavating troubles held up the bank's completion for many weeks, as the water table was reached before the necessary depth of excavation. Tons of concrete Original footings were found all too weak for the structure, and radical changes were made to allow for the foundation some high water table, and to give sufficient strength foundation on the spring clay soil.

Following the pouring of the concrete, work progressed steadily, and followed by a mild fall and winter, the building was completed rapidly.

ing room is the dining room, large counter-line, finished in light oak and equipped with built-in tables to ensure fast service. Customers taking advantage of the bank's added deposit facilities will find added comfort and convenience from the roomy, extra-long wash.

The main lobby of the bank is finished in soft two-tone panel shades, and is equipped with decorative tiled ceiling in multiple tones. Floor is of rubber tile for the same purpose, and to show eye strain, recessed structural lighting has been installed.

**Reception of
New Building on
Saturday, 3 to 5**
Services have now been sent out from the bank office of the Bank of Montreal for the reception of the new bank building on Saturday afternoon 3:00 p.m. to 5:00 p.m. Reception and coffee are being served by ladies of the Andrew's United Church, W. A. and members of the bank staff will be on hand to point out some of the many modern features of the new building.

New Bank Moves Lacombe's Future

The new bank building which opened last Monday was started late last summer, and with a building permit value of \$40,000.

Lacombe's building permits for 1952 close to \$200,000 for that year.

It is one of the most permanent constructed buildings ever erected here since the war, and with its building, exemplifies the faith of the Bank of Montreal in the future of Lacombe as a steadily growing trading centre for a progressive and industrious farming community.

He received his first appointment as accountant at Westbank in 1902, and from 1902 to 1910, was manager of the branch of the bank at Westbank. He later moved to a similar capacity at Drayton in Saskatchewan, and at two other locations in Alberta.

After taking over his duties here in March of last year, Mr. Letich had been manager of the bank at Westbank since 1902.

Manager Here Has Lengthy Period of Banking Experience

Harold M. Letich, present manager of the Bank of Montreal, has been connected with the banking business since 1916. He began his career in banking, and subsequently joined south of his early experience at numerous banks of Montreal branches in the province, including those at Old Calgary, Banff and Medicine Hat.

CONGRATULATIONS TO THE BANK OF MONTREAL AT LACOMBE AT THE OPENING OF THEIR NEW BUILDING.

BUCHANAN - LIPSEY CONSTRUCTION CO. LTD.

Lacombe was a young village, little more than a cluster of shacks when it was in 1901 and 1902 and 1903. The bank was the first building in Lacombe, which later became a part of the Bank of Montreal's western network of offices.

Banking here started in a temporary quarters in a hotel room. Accommodation being scarce, the bank had to be in one of the back rooms in the town's first wooden hotel. However, even that was not an ideal situation, and in order to open on the day intended, the bank had to hire a room at the Victoria Hotel.

Here it carried on business for three years, until a "small room" was available. About a year later, the bank had quarters of its own, obtained in a conversion of the hotel.

The rapid growth of both the town and the bank made it necessary for the bank to erect its new premises only this year. These new quarters, which were completed and occupied in the spring of 1908, served as the base of the bank's expansion until work on the new bank commenced late last summer.

The old bank is a landmark of Lacombe, and as a landmark, it is still a part of the town's history. It is still a part of the town's history, and it is still a part of the town's history.

One of the biggest jobs in the Army — and, in fact, in Canada — falls on the REPLY OF A CANADIAN (ORDNANCE) CORPS. This corps has the huge job of obtaining and distributing everything the Army requires from the front lines to tanks — over 120,000 different types.

As the Canadian Army grows, the jobs of obtaining guns, fighting machines and so on needed — men who can quickly assemble, store, shift, replace, shoot, make and make weapons. The Army will train them in any one of the many different trades and skills required by Ordnance. They trained the young men who serve in this corps will find study and working opportunities for themselves.

With general conditions of service, pay and pension plans at an all-time high, there are wonderful prospects for young men in Ordnance. Learn a trade and build an unusual and important career for yourself in the Royal Canadian Ordnance Corps.

You are eligible if you are 17 or over of age, traineeship to 18, physically fit and able to wear Army uniform requirements. Applicants should be good health certificate or release paper from Army when repatriating for interview.

Comfort in Pounds and dollars in the bank

Chevrolet Trucks are first because they're finest—finest for features—in performance, economy and just plain value for your money. Take a look at the only low example, the "Driver-Coach," some 3 1/2 ton value van. Full-width steel chassis, very spacious drive and load compartments in a low loading ramp provide unusual driver comfort and convenience. Impressive? Here it is. But the real test is just one of many Chevrolet "Adventure-Design" features that add up to one BIG advantage — Chevrolet trucks are the world's leading money makers on any hauling job. What more proof could you ask than the fact that truck operators, regardless of the size, buy Chevrolet trucks more than any other make. Why not use your Chevrolet dollar today?

Snow, Cold Weather Return

Temperatures in the valley dropped to their daily low from the zero mark early Monday morning to add emphasis to the frigid weather of the past week. After a couple of weeks of low temperatures, the valley has now closed down to the district last holidays and it brought snow winds and winter clothing back and prominence.

There has been a considerable drop in the past week at the local airport. The station meter has recorded the snow in the valley, only three inches of snow has fallen in the last week.

Temperatures have also the winter level, but have not the same reason during the past week. The weather has been the same for most of the last week.

April 1933, has so far been one of the coldest ever recorded. The 43-year average for maximum daily temperatures in April is 82.1 degrees, while the long period minimum average of 23.8 degrees.

Blackfolds Resident Dies At Hospital

Joseph Thomas Fulkert, 72, died at the hospital last Tuesday.

Fulkert, a native of Scotland, was a member of the Blackfolds Baptist Church, with Rev. George K. Moore officiating. Burial will be in the cemetery.

Survivors include his wife, Mary; three sons, James, John and William; and a daughter, Mrs. Mary Fulkert.

Funeral services will be held at 2 p.m. Tuesday at the Blackfolds Baptist Church, with Rev. George K. Moore officiating. Burial will be in the cemetery.

Survivors include his wife, Mary; three sons, James, John and William; and a daughter, Mrs. Mary Fulkert.

He is survived by his loving wife of 44, Evelyn, nee McLean, of 1111 1/2 St. George St., St. John's, Nfld.

Prevost Farmer Honored; Wins Barley Award

PRESTO! Friends and neighbors of Mr. and Mrs. W. J. Smith, of the town of Prevost, are proud to announce that Mr. Smith has won the Barley Award for 1953. The award was presented to him by the Barley Growers' Association of the Province of Alberta. Mr. Smith's barley was the best of the year in the competition.

Mr. and Mrs. Smith, who live on the farm near the town of Prevost, have been successful in many other crops. They have also won several other awards for their crops. Mr. Smith is a member of the Barley Growers' Association of the Province of Alberta. He is also a member of the Alberta Barley Growers' Association. He is a very successful farmer and has been so for many years.

Morningside Carriers Held Annual Meet

Morningside Carriers held their annual meeting on Monday evening, April 13, at the Morningside Hotel. The meeting was held to discuss the business of the carriers and to elect officers for the coming year. The meeting was attended by a large number of carriers and was very successful. The officers for the coming year were elected and the business of the carriers was discussed. The meeting was held in a very pleasant atmosphere and all the carriers were very happy to attend.

Plans Advance For Big Baseball Event Here

Five Top Teams Already Entered in Ball Tourney

With the Lacombe Lions club's summer baseball tournament plans well advanced, only six teams are expected to enter the tourney. The club has already received commitments from the following teams: the Lacombe Lions, the Lacombe Cubs, the Lacombe Braves, the Lacombe Yankees, the Lacombe Red Sox, and the Lacombe White Sox. The tourney is expected to start in mid-June and will run for about a month. The club is hoping to attract a large crowd of spectators to the games.

Plans (Continued) All-ages, a combined team which will have high school, college and university players. The club is also planning to have a tournament for the 1963 season. The club is hoping to attract a large crowd of spectators to the games.

Forshee F.U.A. Asks Road Repairs

After the routine business, a courage was presented to Mrs. E. Ellsworth, the oldest mother present, to Mrs. Harry Craig, the youngest mother, to Mrs. Ron Hankins, the mother of the largest family. A vote of thanks was given to Mrs. Hambrecht and Miss Sayre, who kindly made the courage. Mrs. Whitworth drew the business routine. Next meeting will be at the Rogers home.

At the close of the meeting the business served lunch.

Board Discusses Centralization

Of Schools

Considerable discussion about integrating schools in the immediate Lacombe district at Lacombe took place at the regular meeting of the Lacombe school divisional board held last Thurs-

Captain (right) and his players, the school's Monday afternoon football team, were honored with a few remarks.

J. C. Henderson, president of the middle boarders' association. Also spoke a few words of welcome prior to the start of the race.

The efficient starting staff kept the boys and the sale men busy.

Great interest was shown by

visitors in the many beautiful

and unique displays. Among the

most popular was a very old and

valuable try ring of silver known to

be the property of the club under

the supervision of the members.

Other items which proved of

wide interest were:

A 100-year-old ring of the John

of the Lacombe, loaned to the exhibit by

Mrs. B. H. MacKenzie, a 10-year-

old hand embroidered linen dress

owned by Mrs. James Miller

A collection of the various

of a coat brought to Canada in

1884, and dating back to the

early days of Queen Victoria,

displayed by Mrs. Lloyd

Puffer.

Old and rare pieces of

handwork, exhibited by Mrs.

Adla Harrison, an old-style

crystal vase, presented by

of G. McDevine, an 18-year-

old crocheted robe, owned by

Mrs. J. H. McDonald, who was

christened as the robe to a child.

A beautiful shawl, displayed

by Mrs. Stewart, who also ex-

hibited her button screen con-

taining more than 12,000 but-

tons.

Among the exhibits in the

handcraft section were items

from embroidery work by Mrs. C.

Burnett, B. Richardson, P.

Pearson, Mrs. and Maude

Ed. (Mrs. Long) all of who are

working at the present time on a

large display which is expected

to be available shortly.

system, it is "not clear" that an annual rate per front foot of Twenty (20) cents for the Twenty (20) years period is warranted.

Any additional annual sum required to pay the annual delinquent payment, after realizing the revenues from the system are in fact less than the amount of the rate levied on the system in the Village.

The Board of operations of the proposed By Law may be deemed as the "Act of the Secretary-Treasurer at any time during office hours."

BY-LAW NO. 92

This By Law provides for the installation of a sewer and

"I can't tell the difference"

Some people say "I can't tell the difference" . . . Between "Barker" and "Barker" . . . In legislation. But it is. We hope yours was one of them. Because if it isn't, the difference between yours and his long beards will be the only difference.

The Village according to plans approved by the New York State Board of Health at a total cost of \$600,000.

The village provides the issuance of certificates to the Provincial Treasurer in the total sum of \$80,000.00 so as reimbursable under the Liquidating Projects Act with interest at the rate of Two (2%) percent per annum for the first consecutive semi-annual amortized installments of combined principal and interest.

The sum of \$60,000.00 to be paid by way of special franchise license fees shall be assumed against all properties adjacent or abutting on the streets or avenues where the project is to be installed at an annual rate per front foot of twelve (12) cents for the second year and thereafter

SHATTERING — CLOSING — SIPPING

When grain goes DOWN you're not OUT — if you have a Hume Pick-Up. In lodged, down-tangled grain where tippage would be wasteful, the Hume Reel picks up and reels in ALL the crop. Shattering is reduced. There is no clogging in the cylinder. You harvest more grain or soybeans from every field — standing or down. Order your Hume Pick-Up Reel now. It's the Reel reel made.

Turn Out and Vote Next Monday

EXT MANDY, Canadians will be asked to elect a new government to administer their country's affairs for the next four years.

In spite of the fact that the election is held in the month of August, it is not remarkable more by its timing than by the fact that it is held in the month of August.

It is, of course, the leading tradition of the world, in August, to elect a new government. In Canada, this tradition is followed in the month of August, but in the month of August, it is not followed in the month of August.

And, regardless of which party wins next Monday, one of the biggest problems facing the new government will be the problem of finding a new government.

The South Side

WORKING quickly, undisturbed and in the month of August, the South Side of Lacombe is a great deal of work to do. The South Side is a great deal of work to do. The South Side is a great deal of work to do.

Many Gardeners Share Flower Show Prizes

When the summer months come, the gardeners of the Lacombe and Lethbridge areas will be busy with their flower shows. The Lacombe Flower Show, held annually in the Lacombe Exhibition grounds, is one of the largest and most popular of its kind in the area. This year's show is scheduled for September 10-12, 1963. The Lethbridge Flower Show, held in the Lethbridge Exhibition grounds, is also a major event. This year's show is scheduled for September 13-15, 1963. Both shows are open to the public and are free of charge. The Lacombe show is held in the Lacombe Exhibition grounds, which is located on the corner of 1st and 2nd streets. The Lethbridge show is held in the Lethbridge Exhibition grounds, which is located on the corner of 1st and 2nd streets. Both shows are open to the public and are free of charge.

Prizes are awarded for the best of show, best of class, and best of variety. The Lacombe show is held in the Lacombe Exhibition grounds, which is located on the corner of 1st and 2nd streets. Mrs. Jack Lawrence, one of the founders of the Lacombe art club, was honored this month when two of the pictures—"Auction Block" and "Lonely Sentinel"—were selected by a jury to be included in the latest traveling exhibition of the club.

The exhibit is of particular interest to the residents of Edmonton, as it is presently on display at Edmonton. The exhibit will then be made in Calgary, following which it will be shown at major rural centres of the province.

Douglas Bessie, art critic for the Calgary Herald, has this to say of the exhibit:

...the artist's use of oil, water, wash, collage, organic textures, vivid colors, and air into a metaphorically expressive in green, is a visual expression of a universal "ethic outlook."

The message on the last page of the exhibit is a succinctly worded immediate dispatch of the F & W Service, Washington, D.C. The word was a millard

Local residents are urged to discuss the burning with their neighbors. This is for the benefit of the community. In the event of a fire, the fire department will be notified. Since the burning is a Sunday activity, every effort will be made to ensure that the burning is completed by the end of the day. This report is for your information and to ensure that the burning is completed by the end of the day.

**New Store
Completed
In Lacombe**

Another new modern building has been completed in town, adding to the growth and expansion of downtown Lacombe. The new addition is that of the Beaver Hardware, on 301 Broadway avenue.

The Beaver boasts a handsome building of all-brick construction. It features an all glass front, which is ideal for displaying a wide variety of hardware merchandise.

Inside of modern counter space, the latest in building fixtures and lighting are on offer for the customer. An added feature is the new 1000 sq. ft. addition to the rear. The hardware store is located upon the second floor, is 130 feet long and replaces one of Lacombe's oldest structures, which housed the store of former hardware merchant R. M. Ramsey for many years.

The staff members of the new store will be glad to write you, Joseph A. Weaver, Dick Stodolsky, Andrew Weaver, and part-time employee R. M. Ramsey.

POLLING DIVISION No. 10
Consisting of Township 36, Range 23, north of the Red Deer River, and of Township 36, Range 23, south of the Red Deer River.

That I was, under the 18th day of November, 1952, at the place of two o'clock in the afternoon, in the presence of the Returning Officer, the said ballot boxes and ballot papers were opened and the result of the poll was as follows: One vote in favor of the proposed By-Law, and one vote against the proposed By-Law.

Given under my hand at Red Deer, Alberta, the 24th day of October, 1953.

MILTON TRUBLER, Returning Officer

Talking of Sport from Here and There . . .

If the players of the central Alberta league have as much fun as they do in the same meeting as their own representatives did at a hockey league meeting here, they should be more than the usual ones of the league fixtures.

Youngs flared and roared round as team representatives to try to secure plans for the coming season.

A tentative league schedule was to recently by secretary of the individuals present that they were not too many changes made in the proposed schedule. Lacombe Red Deer, and Peace River were to play each other in the first round.

But the schedule for the first round was not to be made until after the first round of the season, it was suggested that four teams play in the playoffs in the spring but that the four sides would not be settled at a future meeting to be held in a couple of weeks.

The event of the season for the year, and the most exciting feature of the entire meeting was the lack of unanimity shown by the representatives of the various teams in the meeting.

Hockey fans can draw more from the fact that the province delegates in the league finally decided to have more meetings of the league.

Similar events could finally come from future decisions of the league.

Canada's biggest sporting spectacle, the Grey Cup final, was a most exciting and already more of a local event as the teams in the east and west have down the home stretch to who will compete in the big final game.

The contest of the Grey Cup final, the western team, who have shown their best to the remainder of the western and further through the regular season, have suffered two recent losses, and the possible loss of their scoring star, Billy Van.

For the remainder of the season, the team in the question is to be the team in the final.

Court Assesses Farmer For Use Town Fire Truck

W J Lockhart of Lacombe was ordered to pay the town of Lacombe \$50.00 for use of Lacombe fire department equipment at a farm fire call this summer, when the case was appealed before Judge J. McInnis in Lacombe last week.

Mr. Leachart had been previously accused the forfeited fee of \$75.00 for a full bill of Lacombe-owned five equipment to any point outside of town. The assessment was returned paid to Magistrate Thomas W. Wilson in local amount of \$100.00. It was the judgment of the appropriate authorities.

Following earlier Justice M. Isaac, S. A. Puffer, auditor for Mr. Leachart, pointed out that the assessment was returned paid to the court. The assessment was set the charges to the court at the time Mr. Leachart was
